Penguin Loves Mev
In the UK

What is learned in the cradle
is carried to the tomb.

If Mev is in the corner, .

Mev thought I would be
a very weak mom in the future.

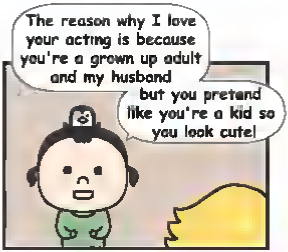
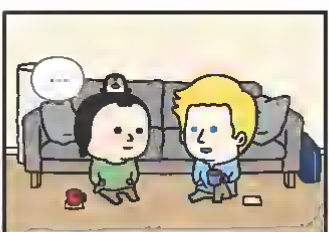
Ah, I don't think so. Because your acting and the kid's acting are different.



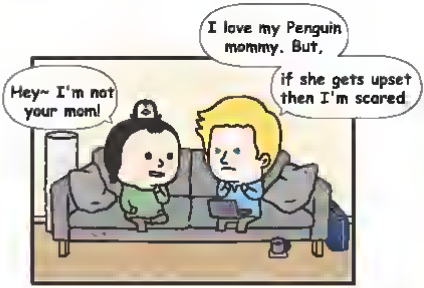
The reason why I love your acting is because you're a grown up adult and my husband
but you pretend like you're a kid so you look cute!

I wondered and
Mev answered me back.

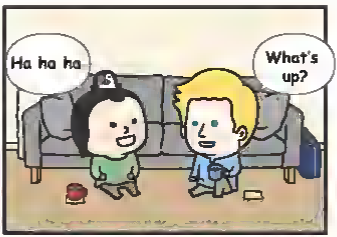
However, I didn't feel like I would like the kid's acting more than Mev's cute acting when I imagined it.



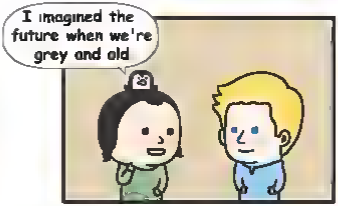
... he tries to get away with it
by acting cute...



Then, ...

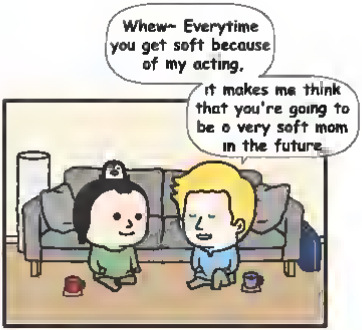


Then my imagination went further and...



Ah.....

... I can't help falling for his tricks.



I don't think I would say 'mommy mommy' like that
as we're very old.
